

TOPIC: VISION – RUN WITH THE VISION

TEXT: HABAKKUK 1:1-4, 2:1-4

INTRODUCTION

As we continue in our exploration on the subject of vision, it's prudent to consider the following questions, with all that we have discussed so far:

Have you discovered what your vision is? Have you found something you can put your whole self into which will fill your life with new hope, aspiration and purpose? Have you found that "something" which gives you reason to get up in the morning and keep you going without tiring for the rest of the day. The "something" that will invariably become your passion.

Running with the vision according to the above text in **Habakkuk 2:2-3** is part of the process to realizing your vision.

RUN WITH THE VISION.

In running with the vision, it's important to consider the question of how badly do you want what you have penciled down or gunning for as your vision. It will require passion as stamina to be able to say "I'm going to go after this no matter what it takes or what happens."

WHY RUN WITH THE VISION

1. Vision focuses your life and pursuit – **1 Corinthians 6:12**
2. Vision is like faith, it is the evidence in your heart of things hoped for – **Hebrews 11:1-3**
3. Vision is what you can use to inspire commitment – **Ecclesiastics 9:10**
4. Vision gives us insight into God's purpose for your life – **Proverbs 18:16**
5. God given vision comes with divine drive – **Isaiah 40:31**
6. Vision turns potential to an active force – **Philippians 4:13**
7. God given visions creates strong desires or passion – **Philippians 3:13-14**
8. God given visions are compulsive – **Habakkuk 2:3; Job 14:14**

DISCUSSION

One of the ways you can run with the vision is to strengthen your vision.

How do you strengthen your vision? Give scriptural examples.

PRAYER

Pray that you will know the purpose of God for your life and pursue it. Pray that the purpose of your calling will be fulfilled or accomplished.
